## Description:

This is a test! subject stole candy at 2pm.

## AI Summary:

On July 08, 2025, at approximately 9:36 PM EDT, an incident of theft occurred at the store located at 123 Main St, Downtown. The subject, whose identity is currently under investigation, was observed stealing candy at 2 PM. The discrepancy in the reported time of the theft and the timestamp of the report suggests a delay in detection or reporting. The likely cause of the incident appears to be inadequate monitoring of the candy aisle, allowing the subject to commit the theft unnoticed. It is recommended that store leadership reviews surveillance coverage and staff presence in vulnerable areas to prevent future incidents.
