When they scanned the sleep wear the bagged the cosmetic product as well with sleepwear without scannig the cosmetic. Subject did scanned one swimwear top but failed to scan the bottem. Subject left at 12:30 pm.

### AI Summary:

On July 4, 2025, at approximately 12:25 PM, an individual was observed engaging in suspicious activity at the self-checkout area of the store located at 456 Shopping Ave, Mall. The subject selected items from the women's swimwear, sleepwear, and cosmetics sections. While at the self-checkout, the individual scanned the sleepwear but simultaneously bagged a cosmetic product without scanning it. Additionally, the subject scanned a swimwear top but failed to scan the bottom, leaving the store at 12:30 PM without paying for all items. The likely cause of this incident appears to be an intentional attempt to avoid payment for certain merchandise. It is recommended that store leadership enhance monitoring at self-checkout areas and consider implementing additional employee training to identify and prevent similar incidents.
