NON-DISCLOSURE AGREEMENT (TEST DATA VERSION)

This Non-Disclosure Agreement ("Agreement") is entered into between Security Flaw Solutions, operating as ContractGuard.AI ("Disclosing Party"), and _____ ("Receiving Party"). 1. Purpose. The Disclosing Party intends to share confidential test data, models, and business information for evaluation purposes. 2. Confidentiality. The Receiving Party agrees to keep all Confidential Information strictly confidential and not disclose it to third parties. 3. Permitted Use. Confidential Information may only be used for evaluating the services of ContractGuard.AI. 4. Return or Destruction. Upon request, the Receiving Party shall promptly return or destroy all Confidential Information. --- BAD/UNFAIR TERMS (for testing ContractGuard.AI): 5. Unlimited Liability. Receiving Party shall be liable for all damages, direct or indirect, including consequential damages, regardless of cause. 6. Perpetual Obligation. This Agreement shall remain in effect indefinitely, with no right to terminate by the Receiving Party. 7. Data Ownership. Any improvements, inventions, or insights developed by the Receiving Party during evaluation shall automatically become the property of the Disclosing Party without compensation. 8. Waiver of Rights. The Receiving Party waives any right to sue the Disclosing Party for misuse of information. 9. One-Sided Termination. The Disclosing Party may terminate this Agreement at any time, but the Receiving Party shall have no right of termination. 10. Mandatory Arbitration in Foreign Jurisdiction. All disputes must be resolved via arbitration exclusively in a jurisdiction chosen by the Disclosing Party, regardless of the Receiving Party's location. --- 10. Governing Law. This Agreement shall be governed by the laws of Ohio, United States.
